I agree to adopt my pet from Greenmore Farm Animal Rescue (GFAR). I agree not to abandon, give away, sell, or surrender the dog to an animal shelter. I will notify GFAR immediately if I wish to relinquish possession of the dog and will return the dog to GFAR as soon as it can be arranged. If any of the below conditions are not adhered to, GFAR reserves the right to reclaim my dog immediately.

The following conditions govern this adoption contract:

_____ My dog will always have access to water and will be fed daily;
My dog will visit a veterinarian **within 2 weeks** of adoption;
My dog will have yearly wellness visits;
My dog will be leash-walked or exercised regularly in a fenced-in area;
My dog will not be tied to a tie-out line or trolley;
My dog will not be left outside to roam freely; and
My dog will not be kept outside during cold or inclement weather.

_____ My dog will not be taken into high exposure areas (e.g, dog parks) and will not be around other dogs with unknown vaccination history until 10 days after their vaccination series has been completed, to allow adequate time to create the proper immune response.

Adopter assumes all risks and expenses associated with the animal. Your dog's health summary will be reviewed with you and given to you at the time of adoption. GFAR does not retain copies of these. Please be aware that dogs may come into the rescue with incomplete health or behavioral histories. GFAR takes care of the dogs' health needs at the rescue. After you adopt your dog, you are responsible for the animal's lifetime care and treatment.

Should my dog become vicious or develop an untreatable health or behavioral condition, I will consult my veterinarian as to how to proceed humanely. I understand that GFAR is not able to take back a dog that became aggressive to humans.

By signing below, the adopter agrees that they have received the original records for their dog, understands all the conditions above, and recognizes that this is a legal and binding contract. Adopter also understands that their donation **is non-refundable** as it is used to rescue other dogs from high-kill shelters.
